All mat and pairing officials must have a current stamp (2009). If they do not have a license book with the stamp, you must check the membership system at: themat.com/membership
Log in with your ID and password and do a people search on the person's name. They must have paid their membership and passed their background check (both columns should have a green dot). No exceptions!

TESTS ARE SENT TO ADDRESS ON THE LAST PAGE. ALL OTHER COMPLETED FORMS ARE TO BE RETURNED TO GINA HENDRICKSEN WITHIN 10 DAYS OF THE EVENT. These forms should all be completed at the tournament. Do not return unused tests. If you have any questions please contact the USWOA office. This year the forms will be available on the USWOA web page, if you wish to use them. The P3 test is there, but you will be mailed the 1 and 2 tests.
